

BWI's "Be Fit Kids" & Master Guru...

... have created a **fun new** online health & wellness learning tool that...

- Excites kids about making healthy choices through an interactive & educational game
- Based on New York State performance indicators
- Includes formative & summative assessments
- Links to teacher resources for additional support
- Is accessible online, 24/7

... and helps to fight the childhood obesity epidemic...

- Be Fit Kids Online helps assess students' knowledge of health & wellness, while Promoting personal lifestyle changes necessary to be a healthy and fit kid.
- Available for students in grades K-8.

No other program combines all of the above to help children play, learn and achieve!

**Professor Sha-na-na
Leads Children Through
On-Line Game**
